Arizona Platinum Supplier Program

presents

WBEC-West Platinum Supplier Program is a must attend for WBENC certified WBEs looking to launch into corporate and government contracting. Attendees who complete the program have a comprehensive understanding of corporate procurement processes, roles and responsibilities of supplier diversity professionals, complete a capability statement, and receive direct feedback from WBEC-West corporate partners.

WORKSHOPS

Who should attend?

WBEC-West certified WBEs looking to leverage their WBENC certification. Newly certified WBEs including CEO, Executives and Business Development representatives.

Attendees will have opportunity to present at the **Platinum Supplier Vendor Showcase** in front of 50 corporate representatives at the 13th Annual Conference.
